4 GAMES IN 1!

COMPLETE GAME OR CONVERSION

- POKER
- DANDY DICE
- BLACKJACK
- STRIPPER

ELECTRONIC BULLETIN BOARD,
ALL IN BRILLIANT COLOR

New Game YOU-PICK-IT

That's right, 4 games in one After a player(s) puts in his coin(s) he can actually choose which game he would like to play. Select Poker, Blackjack. Dandy Dice or Stripper - all in one machine. In addition, YOU-PICK-IT contains an advertising bulletin board You can enter a message on a full screen to advertise the location, promotions you may be running, Monday night football, beer prizes, etc

Complete Game or Conversion

YOU-PICK-IT is available as a complete game (Counter Top or Twin Tote) or as a conversion kit. Convert your tired video games into CKC's new YOU-PICK-IT If your video game has a joy stick, a fire button, and a verticle color raster scan monitor, our board is for you. Or if you prefer, buy a complete game from us, either way you have a proven long life high earning game That's not all! All our video games utilize our unique Americana® MPG® interchangeable game boards

Interchangeable Game Board

All Computer Kinetics' video games utiliza a sophisticated design that allows you to change the game in your machine by simply exchanging a small inexpensive GAME PAK® Each game pak contains the program for specific CKC games or in the case of YOU-PICK-IT, more than one game Game PAK's are about the size of two cigarette packs and are easily plugged into CKC's mother board. It's the ultimate interchangeable system

Adult Only Game Paks

YOU-PICK-IT is the first game PAK introduced by Computer Kinetics that allows the player to choose more than one game In addition, CKC has introduced space theme, maze theme as well as ADULT ONLY game packs.

If you would like to try out one of our ADULT ONLY game PAK's, simply plug it into the mother board Adult locations (bars, taverns, restaurants, etc) are desparately in need of our equipment.
